Dear AGD Continuing Education Department,

Please let this letter serve as confirmation of Dr. Dipika Shah's volunteer activities in support of the Donated Dental Services (DDS) Program, a program of Dental Lifeline Network- New Jersey (formerly known as New Jersey Foundation of Dentistry for Persons with Disabilities).

From January 2, 2000 until, and at present July 2012, Dr. Dipika Shah has generously donated her time, skill and services to act as a volunteer dentist for the Donated Dental Services (DDS) Program by providing comprehensive dental treatment in her office to needy elderly and permanently disabled patients.

This letter also confirms that Dr. Dipika Shah has not received any financial or "in-kind" remuneration, or reimbursement of any actual expenses, in return for her services.

Please feel free to contact me if you require any additional information.

Sincerely,

Shanda Bell, Program Coordinator
