Dear Dr. Shah,

Thank you for many years of service to the Johns Hopkins University Center for Talented Youth (CTY). You have been an active volunteer with us serving as a Master of Ceremonies (MC) at the Awards Ceremonies. Those duties entailed being responsible for managing the details for the event as well as the volunteers for the day. We generally had over 300 students and parents attend one of our ceremonies and so being the MC was essential to the success of the event.

Over the years we often have called on you for other tasks as we were always confident that you would be receptive and more importantly, that you would accomplish the task well. You are a great supporter of CTY and we are very appreciative of the time and efforts you have made over the eight years of service to us. We rely on parents like you for our Awards Ceremonies to salute our young scholars.

We applaud your recognition by the Academy of General Dentistry for your volunteer service. The Life Long Service Recognition is noble and one you rightly deserve.

With warm regards,

Neetu Dhawan Gray
